Coming events

Organ Society WA Concert

On September 9th, we will have a combined concert with the Organ Society of WA. Three items with players from REMSWA will be included, preferably using an OSWA member to play organ. If you or your group are interested let Liz know. We already have one definite item, but may get a bigger group together if there is interest. The concert is at St Mary's Anglican Church, South Perth, a lovely venue.

Wongan Hills Long Weekend

Planning is progressing. There will be "early bird" registration form out soon. Accommodation will be either a group cabin at the caravan park - let Irene Batini know if you would like to be included for that booking - or whatever else you would like to arrange from the local options.

Hans-Dieter Michatz will be the principal tutor; more news on likely repertoire will be sent soon.

Concert in Perth

We are still working on exact date and venue, but Hans-Dieter will be performing at a concert in Perth, probably the week after the camp.

Even if you are unable to come to Wongan Hills, please support this concert.
